

# Christchurch National Model Railway Convention 2010 Accommodation Guide

These listings are the result of many hours of streetwalking, scouring the 2009 AA Accommodation Guide and visiting each website to confirm current details. Options are listed commencing with the shortest distance from the 2010 Convention venue up to 3.1km to the south (Bealey Ave), and 4.2km to the north (Redwood). Papanui Rd and Main North Rd offer excellent bus services to the venue.

There are of course many additional choices within 5km to the west in Bryndwr and Riccarton and in the city centre (hotels, bed and breakfast and backpacker options). There are a number of additional holiday parks but these will be up to 25 minutes driving time from the venue. Consult the AA Accommodation guide or search the Internet for details.
